

Concentration Game

To Make the Game Board:

1. Cut piece of plywood 36-inches wide and 26-inches high.
2. Cut 1-inch molding into four 36-inch pieces.
3. Cut notches in the four molding pieces as seen in Figure-1. Attach to the plywood at the following measurements from the top: 6.5-inches, 13-inches, 19.5-inches, and 26-inches. See Figure-2.
4. Paint or stain the Game Board.

To Make the Game Pieces:

1. Copy the first eight pages (numbers 1-16) onto a bright color cardstock. Slice cardstock in half to make game pieces.
2. Copy the next eight pages (matching images) onto a second color cardstock. Slice cardstock in half to separate game pieces.
3. Laminate the game pieces.
4. Make another set of cards with the Bible verse or message printed or written on them, one or two words per card, up to sixteen cards. Leave at least 1-inch margin from the bottom of each card.
5. Arrange the verse/message cards onto the game board, four cards on each line, up to 16 cards.
6. Scramble the game pieces with the matching images on the game board, placing the image cards over the verse/message cards.
7. Arrange the number game pieces to cover the image game pieces.

How to Play the Game:

1. Divide the children into two teams. The object of the game is to be the team that gets the most matches.
2. One team chooses two number cards. The teacher removes the two number cards to reveal the images behind them. If the images match, the teacher removes the image cards to reveal parts of the verse or message and that team gets a point.
3. The other team takes a turn. Teams continue to take turns until all the words are revealed.
4. Say the verse/ message out loud with the children. If you choose to, you can encourage the children to memorize the verse/message by repeating it, each time taking away one of the cards.
