7. Use Ministry Report forms to communicate needs of people.

**SCHEDULING**

1. Schedule one Lead Teacher and one Assistant Teacher for each service.
2. Distribute schedule to workers at least one week before the next month. Include Lesson Planners and copies of the lessons for the month for the Lead Teachers.
3. See that special holidays are honored by the children in the classroom (Mother's Day, Father's Day, Easter, Thanksgiving, Christmas, etc.).
4. Volunteers are responsible to find their own replacements within their department and then to notify you. If a replacement can't be found by the volunteer, you will be responsible to find one for them.

## **CURRICULUM & RESOURCES**

1. Copy curriculum for the month or the quarter for the teachers. Make sure that originals never leave the church office.
2. Assure that teachers are using their lesson planners.
3. Work a month ahead of time to request any supplies that need to be purchased.
4. Instruct teachers to make sure that each child takes something tangible home to their parents (craft, prize, certificate, etc.). This not only builds self-esteem in children, but it also gives the parent something to start a conversation on about their class.
5. Keep supplies stocked and organized in the Classroom.

## **TRAINING VOLUNTEERS**

1. Have interested volunteers fill out an application and turn it in to the church office.
2. Let them know they can visit a class before making a commitment. Make an appointment with them as a classroom visitor and make sure you talk to them after class to answer any questions.
3. Meet with them in person and go over the Jesus Jungle handbook together.
4. Provide classroom training until they feel comfortable with their responsibilities.
5. Encourage them to attend Children's Ministry workshops so they can be in touch with what is happening in other departments of the Children's Ministry.
6. Have class fellowships at least twice a year for encouragement and relationships.
7. Have a class meeting at the beginning of each quarter for communication and training.
8. Call the scheduled ministers during the week to remind them of the schedule and to see if there is anything that you can do to serve them.
